## BI-LO'S PRESCRIPTION PDP DETAILS

1. BI-LO's Prescription Drug PDP (the "PDP") is available at all BI-LO neighborhood pharmacies in the United States.
2. The PDP applies only to certain generic drugs at commonly prescribed dosages. You may obtain a list of generic drugs and dosages covered under the BI-LO PDP (the "Drug List") on BI-LO.com or at any BI-LO Pharmacy. The Drug List may change without notice and may also vary by state. Not all formulations of a drug (for example, enteric-coated, extended, timed release formulations, creams, ointments etc.) are covered under the PDP.
3. Under the BI-LO Prescription Drug Plan, \$4 for **up to** a 30-day supply at the maximum quantity listed on the PDP formulary, \$8 for **up to** a 60-day supply at the maximum quantity listed on the PDP formulary and \$10 for **up to** a 90-day supply at the maximum quantity listed on the PDP formulary of certain covered generic drugs. Not all drugs covered by the \$4 PDP are covered under the \$8 or \$10 PDP prices. Prices for quantities between a 30-day supply and a 90-day supply of "covered" drugs may be prorated based on quantity dispensed.
4. Prepackaged drugs are covered under the PDP only in the unit sizes specified on the Drug List. Prepackaged drugs are dispensed based on the quantities prescribed and unit sizes in stock at the Pharmacy. Unit sizes not specified on the Drug List are not covered under the PDP. Multi-unit purchases are charged at a per unit price, based on the price per unit size dispensed, unless otherwise specified. Prepackaged drugs dispensed in unit sizes not specified on the Drug List may be priced higher, even if equivalent quantities of the drug are available in specified unit sizes. Prorated pricing is not available under the PDP for prepackaged drugs.
5. Prices of certain drugs covered by the PDP may be higher in some states and would be noted on the Drug List.
6. PDP pricing may be limited to select manufacturers of a covered drug and is available as long as store supplies in stock at the Pharmacy from such manufacturers last.
7. Prescriptions must initially be filled in person. Refills must be picked up in store. There are no substitutions or mail orders.
8. These PDP Details are subject to change without advance notice. Changes to these PDP Details may be made only in writing.
